

October 17, 1986

Docket Nos. 50-237/249 /254/265

Mr. Dennis L. Farrar
Director of Nuclear Licensing
Commonwealth Edison Company
Post Office Box 767
Chicago, Illinois 60690

Dear Mr. Farrar:

SUBJECT: REASSIGNMENT OF NRC PROJECT MANAGER

Re: Dresden Nuclear Power Station, Unit Nos. 2 & 3
Quad Cities Nuclear Power Station, Unit Nos. 1 & 2

It has been almost a year since the reorganization of NRR in November of 1985. We have found this a convenient time to reconsider project manager assignments. Effective October 15, 1986, John Stang will take over as project manager for Dresden and Tom Rotella for Quad Cities. We expect a smooth transition and a continuation of the productive working relationship between the project manager and your staff.

Mr. Stang can be reached 492-9420 and Mr. Rotella on 492-9413.

Sincerely,

Original signed by

John A. Zwolinski, Director
BWR Project Directorate #1
Division of BWR Licensing
