Ms. Cook,

This is a response to your request for additional information per your email dated June 21st. I reviewed my training records and determined that additional training will be needed to meet the requirements found in Appendix D of NUREG-1556, Vol. 4, Rev. 1. I will be taking comprehensive RSO training in August to meet the requirements in Appendix D of NUREG-1556, Vol. 4, Rev. 1. Ms. Patricia Ohrin will continue to be the RSO for License: 17-29267-01 until I have completed the required training. Upon completion, I will send you, via email, the additional training certifications that are required to have the RSO responsibilities transferred into my name.

Thank you for your assistance in this matter. Should you have any questions, comments or concerns please feel free to contact John Cannon at any time.

Thank You

Sincerely,

John Cannon
