**Subject:** [External\_Sender] RE: LAR 16-03 Revision 1 Clarification Questions on Aux Building Roof Rebar Config Design (Vogtle 17-016)

Billy,  
I noted that the RAIs ML17132A073 still show the word draft. Would you be able to post the RAIs as final to ADAMS so we can issue them officially to WEC?

Best Regards,

Mory D.

Billy,  
SCANA accepts the RAI ML17132A073. We understand the questions and do not need any further clarifications from the NRC. We are working on a schedule for the response to be provided. If you have any questions, don't hesitate to let us know.

Best Regards,

Mory D.

---

Nick,  
Attached, and also found in ADAMS at ML17132A073 publically available, please find clarification questions on the subject.

The NRC is requesting a clarification phone call on this attachment. Please let us know when you are prepared to respond.

Billy
