License # 47-31223-01/03037413

To Whom It May Concern,

Please allow this letter to serve as notification to close the location identified on this license as 3100 MacCorkle Ave. SE, Suite 610, Charleston WV 25304-1215. We are no longer operating or providing any licensed service at this location. Sealed sources were transferred in accordance with DOT regulations to our licensed site located 4610 Kanawha Avenue S.W., South Charleston WV.

Only short lived nuclides were ever used at the closed location. Close Out surveys of the site were completed and no residual radioactive materials were identified. Copies of these surveys are attached.

If you have any questions or require additional information, please contact Sharon L. Long, NPC, 1-888-456-5255 or slong@nationalphysics.com.

Thank you for your attention to this matter.

Sincerely,

Administrator - **Elie Gharib**

	<b>Licensing and/or Technical Reviewer or Branch</b> Medical Branch (Branch 1)

This is to acknowledge receipt of your:  Letter and/or  Application Dated: 06/20/2017

The initial processing, which included an administrative review, has been performed.  
 Amendment  Termination  New License  Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>  
 Follow the instructions on the form for submission.

The following administrative omissions have been identified:  
 [Empty box for listing omissions]

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
