Mr. Lawyer,

Please accept the attached page as a replacement page to the final executed agreement you received from us dated March 8, 2017. This was an oversight and should be replaced accordingly. All other terms of the agreement remain the same. Thank you.

Subject: [EXTERNAL] Cardinal Health 414, LLC, , Request for Additional Information Concerning Financial Assurance, Control 591797, License No. 34-32780-02, Docket No. 03038331

Dear Mr. Sullivan,

This is in reference to the Agreement of Resignation, Appointment and Acceptance dated March 8, 2017, by and among Cardinal Health 414, LLC and the U.S Bank National Association. This document was submitted for the change of trustee from JPMorgan Chase Bank and U.S Bank National Association to support financial assurance for Nuclear Regulatory Commission License No. 34-32780-02, Docket No. 03038331 and License No. 34-32780-01, Docket No. 03038222. In order to continue our review, we need the following additional information.

On page 1 of the document in the "Recitals" section, the governing instrument is stated as the Standby Trust Agreement dated September 30, 2011. This instrument had been returned to you from us in a letter dated April 30, 2012 (ML12123A691) as the Standby Trust Agreement was superseded with an Amended and Restated Standby Trust Agreement dated March 15, 2012 (ML12083A116). It appears that the governing Instrument should be the Standby Trust Agreement dated March 15, 2012. It is also noted that the March 15, 2012, Standby Trust Agreement was the instrument which was stated in the Exhibit C of the Agreement of Resignation, Appointment and Acceptance document dated March 8, 2017. Please provide an amendment document stating the governing instrument as the Amended and Restated Standby Trust Agreement dated March 15, 2012, or provide an explanation why the "governing instrument" should be the September 30, 2011, document which was restated in on March 15, 2012.

We will continue our review upon receipt of this information. Please reply to my attention at the Region 1 Office (Address below) and refer to Mail Control No. 591797. If you have technical questions regarding this letter, please call me at (610) 337-5366.

Your reply must be an originally signed and dated letter. The letter may be scanned and submitted as a pdf document attached to an email; or it may be transmitted by facsimile to (610) 337-5269; or it may be sent by regular mail. If the response includes a financial instrument, the original signed instrument must be mailed to the address below.

Please respond by e-mail to acknowledge that you have received the e-mail request for additional information.
