Gentlemen:

Thank you for your submittal of Revision 51 of your Quality Assurance Topical Report CE-1-A, dated July 7, 1988. We have reviewed the changes and have discussed the training and qualification program with the Manager of Quality Assurance. It is our understanding that your current qualification program will remain unaltered as a result of this change.

Based on this review and discussion, we find that the program as revised continues to satisfy the requirements of 10 CFR Part 50, Appendix B, and is therefore acceptable.

We appreciate your timely submittal of the information required by 10 CFR 50.54(a) and 50.55(f). Please contact Mr. Monte Phillips of my staff at 312/790-5530 with any questions you have regarding this matter.

Sincerely,

Geoffrey C. Wright, Chief
Operations Branch
