Docket No. 50-237

Docket No. 50-249

Commonwealth Edison Company
ATTN: Mr. Cordell Reed
Senior Vice President
Post Office Box 767
Chicago, IL 60690

Gentlemen:

NRC Region III recently received an allegation concerning the implementation of security activities at the Dresden Generating Station. The enclosure to this letter describes the allegation received which requires resolution and a response. We are concerned that the identified issue may represent inconsistent implementation of established procedures which if left uncorrected, may result in violations of NRC requirements.

We request that you initiate an investigation in order to fully analyze the allegation and determine if the allegation is substantiated or not; and take all actions you deem appropriate to resolve the issue. We also request that a written report of the results of your review and the disposition of this matter be provided to us within 30 days of receipt of this letter. We request that your response contain no personal privacy, proprietary, or safeguards information so it can be released to the public and placed in the NRC Public Document Room. If necessary, such information shall be contained in a separate attachment which will be withheld from public disclosure.

The enclosure to this letter should be strictly controlled and distribution limited to personnel with a "need-to-know". The enclosure to this letter is considered as Exempt from Public Disclosure in accordance with Title 10, Code of Federal Regulations, Part 2.790. A copy of this letter, excluding the enclosure will be placed in the Public Document Room as required by 10 CFR 2.790.

The response directed by this letter is not subject to the clearance procedure of the office of Management and Budget as required by the Paperwork Reduction Act of 1980, PL-96-511.
