Dear Mr. Kelly:

We are planning on beginning our next sequence of A.E.C. license examinations on Monday, January 20, 1969. This date appears to be acceptable to you and has been cleared by the General Electric Simulator Training Center. The enclosed licensing table "A" lists the operators and type of license they will be applying for. Also attached is a preliminary licensing examination schedule for your comments. Please call if you have any questions as we will try to fix and confirm this schedule soon.

Sincerely yours,
