Dear Mr. Baer:

Re: St. Lucie Unit No. 2 Cost Estimate

This is to advise that the estimate of cost for St. Lucie Unit No.2 has been updated recently and has increased over the \$850 million estimate previously given to the Commission. The revised estimate is now \$925 million and is based upon a construction schedule of 65 months, beginning with resumption of construction in June 1977, and commercial operation planned for mid-1983.

Yours truly,
