50-389/IE Bulletin 79-19

Florida Power & Light Company has reviewed IE Bulletin 79-09 regarding General Electric Model AK-2 circuit breakers. If the GE Model AK-2 circuit breakers are used in St. Lucie Unit 2, procedures similar to those described in the St. Lucie Unit 1 IE Bulletin 79-09 response (L-79-130 dated May 22, 1979) will be developed prior to initial fuel loading.

Very truly yours,

Robert E. Uhrig
