REGULATORY DOCKET FILE COPY

Dear Mr. Miller:

Re: Turkey Point Units 3 and 4
Docket Nos. 50-250 and 50-251
St. Lucie Unit 1
Docket No. 50-335

The attached check for eight thousand four hundred dollars (\$8,400.00) is forwarded in connection with our submittal of Safeguards Contingency Plans on March 23, 1979 (L-79-71 and L-79-72), and is in response to Ms. Reba M. Digg's letter of July 3, 1979. We have determined that our submittals of March 23, 1979 constitute a Class III fee of \$4,000 for St. Lucie 1 and one of the Turkey Point Units in accordance with 10 CFR Part 170, since 1) the submittal involves a single issue, 2) the acceptability of the issue is identified by an NRC position, and 3) does not involve a significant hazards consideration; and a Class I fee for the other Turkey Point unit since the approval is a duplicate for an essentially identical unit at the same site.

Very truly yours,

Robert E. Uhrig
Vice President
Advanced Systems & Technology
