PART I.C COMMENTS (Continued)

Please note:

As stated in our emails dated 06/21/17 and 07/07/17, the NRC determined that the remaining responsive records for this FOIA/PA request are duplicates of documents we already provided to you in the previous six interim releases.

We had asked you to please let us know by July 5th, 2017, if you are still interested in receiving these additional duplicative records or whether the records already provided to you in the six interim releases suffice.

Since we have not heard from you, we assume that you are satisfied with the information provided to you and will close your request accordingly.

Thank you again for your patience during the processing of your request.
