In the Matter of
FLORIDA POWER & LIGHT COMPANY
(St. Lucie Nuclear Power Plant, Unit No. 2)
Docket No. 50-389

Dear Members of the Board:

The purpose of this letter is to correct an error which appears in "FPL's Response to Motion Concerning Class 9 Accidents," dated January 16, 1980. On page 6 of the document the following statement is made: "The Court of Appeals denied a petition for rehearing on January 15, 1979. 5/" Footnote 5 states that the order denying rehearing is reproduced in the Appendix to the Response.

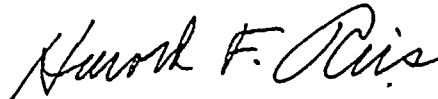

In fact, the petition for rehearing was denied by the Court of Appeals on January 30, 1979, not on January 15,

1979, and what is reproduced in the Appendix is an order granting an extension of time to file the petition. Enclosed is a copy of the Court of Appeals' order denying the petition for rehearing and dated January 30, 1979.

Respectfully Submitted,

Harold F. Reis
