Re: In the Matter of FLORIDA POWER & LIGHT COMPANY
(St. Lucie Nuclear Power Plant, Unit 2)
Docket No. 50-389

Dear Mr. Farrar:

At the hearings on December 14, 1979, the Appeal Board granted us two weeks to reply to the staff's and the applicant's responses to our motion seeking further consideration of the Class 9 accidents issue. The Board also asked us to apprise it upon receipt of these responses whether we intended to reply. We do indeed intend to reply.

I apologize for the delay in advising the Board of our decision; unfortunately, I did not receive a copy of the staff's response until today and was thus uncertain when it had been filed.

Sincerely,

T. J. A.
