RE: Florida Power & Light Company (St. Lucie Plant,  
Unit No. 2), Docket No. 50-389A

Dear Mr. Denton:

As you undoubtedly are aware, there is an antitrust proceeding now in progress in connection with the St. Lucie Plant, Unit No. 2. We do not believe that an operating license for St. Lucie Unit 2 can appropriately be issued until antitrust review is complete, although my clients would be willing to waive their rights under appropriate circumstances. The purpose of this letter is to assure that you do not issue an operating license without giving us an opportunity to advise you of our positions.

Sincerely,

*Robert A. Jablon /es*
