AUDIT OF NRC'S FISCAL YEAR (FY) 2016 COMPLIANCE WITH IMPROPER PAYMENT LAWS

OIG-17-A-13

Status of Recommendations

Recommendation 1: Evaluate the questioned costs to be recovered under NRC contracts NRC-08-09-306 and NRC-HQ-11-C-08-0057 to determine (1) how the questioned costs affect the agency's improper payment calculation, (2) if these questioned costs should be specifically mentioned in the improper payments section of NRC's FY 2017 Agency Financial Report, and (3) provide OIG with supporting documentation justifying the agency's conclusions.

Agency Response Dated
July 5, 2017:

Agree. The NRC's Office of the General Counsel and Office of Administration, Acquisition Management Division are continuing to evaluate the questioned costs. After they complete their analysis, the Office of the Chief Financial Officer will make a determination as to whether these costs have an impact on the NRC's Improper Payments calculation and if reporting is required for the agency's FY 2017 Agency Financial Report.

Target date for Completion: September 30, 2017.

OIG Analysis: The proposed corrective action addresses the intent of OIG's recommendation. OIG will close this recommendation after reviewing supporting documentation, and other information as needed, to verify that the Office of the Chief Financial Officer has made a determination as to whether these costs have an impact on NRC's improper payment calculation and if reporting is required in the FY 2017 Agency Financial Report.

Status: Resolved.
