Dear Mr. Eisenhut:

As agreed to in the telephone conversation of November 18, 1981 between W. Windecker (FPL) and W. Kennedy (NRC), Florida Power & Light Company will provide the fully authorized and approved emergency operating procedure for station blackout by March 31, 1982. This procedure will incorporate all comments raised by Combustion Engineering and the NRC staff, and will also incorporate the acceptable human factors format.

Very truly yours,
