Subject: Materials License application for Eiko Global, LLC
Date: Monday, July 31, 2017 3:22:54 PM

Mr. Phillips,

In regard to your license application, you stated in your application that Eiko Global hold a State of Kansas Radioactive Materials License 33-B1019, for possession and use.

Would you please email me a copy of your Kansas license as required for the distribution license?

Regards,

Shirley Xu
