

Radioactive Materials License

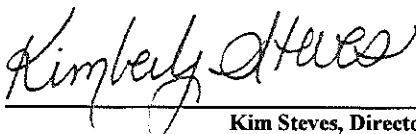

Supplementary Sheet

License Number: 33-B1019 Amendment No. 0

- 13. The licensee shall perform testing for leakage or contamination of sealed sources in accordance with K.A.R. 28-35-216a.
- 14. The licensee shall conduct a physical inventory every six (6) months to account for all sealed sources received and possessed under the license. The records of the inventories shall be maintained for three years from the date of the inventory for inspection by the department, and shall include the quantities and kinds of radioactive material, location of sealed sources and the date of the inventory.
- 15. The licensee is permitted to discontinue personnel monitoring for occupational exposure to radiation provided the licensee, in accordance with K.A.R. 28-35-211d, evaluates the need to resume personnel monitoring as a part of the annual review of the radiation protection program. The review shall consider any changes to the radiation protection program including but not limited to a significant increase in the usage of radioactive material or implementing non-routine uses of the radioactive material.
- 16. Notwithstanding the possession limits in Item 8 of this license, the licensee shall further restrict the possession of licensed material to quantities below the minimum limit specified in K.A.R. 28-35-180b for establishing financial assurance for decommissioning.
- 17. The licensee shall transport radioactive material or deliver radioactive material to a carrier for transport, in accordance with the provisions of K.A.R. 28-35-196a, "Preparation of Radioactive Material for Transport".
- 18. The licensee shall comply with the provisions of Kansas Radiation Protection Regulations, Part 4, "Standards for Protection Against Radiation" and Part 10, "Notices, Instructions and Reports to Workers; Inspections."
- 19. The licensee shall possess and use radioactive material described in Items 6, 7 and 8 of this license according to the most restrictive of; the Kansas Radiation Protection Regulations, this license or statements, representations, and procedures contained in the following documents.
  - a. The application dated March 15, 2017, signed by Roderick S. Phillips, with attachment(s).
