Dear Mr. Clark:

Re: St. Lucie Unit 1  
Docket No. 50-335  
Loss of AC Power

Our letter (L-82-146) dated April 14, 1982, provided our schedule for preparing procedures and training to address a postulated loss of all AC power event at St. Lucie Unit 1. The preparation of our procedure is not yet complete. We now expect to complete it by August 6, 1982. This delay in the procedure preparation has caused a corresponding delay in the preparation of our training program. We now expect to complete our training program and provide a description of the training and the procedure by September 4, 1982.

Very truly yours,

Robert E. Uhrig  
Vice President  
Advanced Systems & Technology
