 Vice President
 Advanced Systems & Technology
 Florida Power & Light Company
 P. O. Box 529100
 Miami, Florida 33152

Dear Dr. Uhrig:

Based on a review of our records, Florida Power and Light Company is over-due in responding to additional information requests for a number of issues. Attached is a list of issues, request dates and scheduled responses. Within seven days from receipt of this letter please provide your current schedule for responding to these information requests. In addition, if scheduled response dates for these or any other issues will not be met you should, as a minimum, inform our project manager for St. Lucie Unit 1 of the expected delay.

The reporting and/or recordkeeping requirements contained in this request affect fewer than ten respondents; therefore OMB clearance is not required under P.L. 96-511.

Sincerely,

Original signed by
