Dear Dr. Waymire:

I have received your letter of January 8, 1964, regarding the work of Dr. J. H. Goldstein and his group on the structure of the polymer chain. I am sorry that I cannot give you a more definite answer at this time, but the work is still in progress and I will be in a better position to answer your questions in a few weeks.

I am sure that you will find the work of Dr. Goldstein and his group very interesting and informative. I will be glad to discuss the work with you in more detail when I see you next.

Very truly yours,  
R. M. Waymire
