NONCONFORMANCE

Dear Mr. Malley:

Thank you for your July 18, 2017, letter (Agencywide Document Access and Management System (ADAMS) Accession No. ML17216A027) in response to the Notice of Nonconformance (NON) that was discussed in the subject U.S. Nuclear Regulatory Commission (NRC) inspection report (IR). We have reviewed your letter and find that it is generally responsive to the NON documented in IR 99901466/2017-201. We have no further questions or comments at this time related to the NON and may review the implementation of your corrective actions during a future NRC staff inspection to determine whether full compliance has been achieved and maintained. Please contact Stacy Smith at (301) 415-6025 or via electronic mail at stacy.smith@nrc.gov, if you have any questions or need assistance regarding this matter.

Sincerely,

/RA/
