Dear Mr. Eisenhut:

Re: ST. LUCIE UNIT NO. 2
DOCKET NO. 50-389
ENGINEERING VERIFICATION PROGRAM

In our FP&L letter L-83-160, dated March 21, 1983, we had submitted supplemental information regarding our St. Lucie Unit No. 2 Engineering Verification Program. That letter was inadvertently sent without the last portion of the supplement (i.e., corrective action plans, pg. 25). Therefore, please find attached those corrective action plans of the St. Lucie Unit No. 2 Engineering Verification Program Report Supp. A.

We regret this inconvenience and should you have any questions regarding the program results, please contact us accordingly.

Very truly yours,

Robert E. Uhrig
Vice President
