1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1861. It is a very important document, as it contains the President's message to the Congress at the beginning of his first term.

2. The second part of the document is a report from the Secretary of the Treasury, dated January 1, 1861. It contains information about the state of the Treasury and the country's finances at the beginning of the year.

3. The third part of the document is a report from the Secretary of the Interior, dated January 1, 1861. It contains information about the state of the Interior and the country's resources at the beginning of the year.

4. The fourth part of the document is a report from the Secretary of the Navy, dated January 1, 1861. It contains information about the state of the Navy and the country's naval resources at the beginning of the year.

5. The fifth part of the document is a report from the Secretary of the War, dated January 1, 1861. It contains information about the state of the War and the country's military resources at the beginning of the year.

6. The sixth part of the document is a report from the Secretary of the State, dated January 1, 1861. It contains information about the state of the State and the country's diplomatic resources at the beginning of the year.

7. The seventh part of the document is a report from the Secretary of the Education, dated January 1, 1861. It contains information about the state of the Education and the country's educational resources at the beginning of the year.

8. The eighth part of the document is a report from the Secretary of the Agriculture, dated January 1, 1861. It contains information about the state of the Agriculture and the country's agricultural resources at the beginning of the year.

9. The ninth part of the document is a report from the Secretary of the Commerce, dated January 1, 1861. It contains information about the state of the Commerce and the country's commercial resources at the beginning of the year.

10. The tenth part of the document is a report from the Secretary of the Marine, dated January 1, 1861. It contains information about the state of the Marine and the country's marine resources at the beginning of the year.

11. The eleventh part of the document is a report from the Secretary of the Fisheries, dated January 1, 1861. It contains information about the state of the Fisheries and the country's fishing resources at the beginning of the year.

12. The twelfth part of the document is a report from the Secretary of the Forestry, dated January 1, 1861. It contains information about the state of the Forestry and the country's forest resources at the beginning of the year.

13. The thirteenth part of the document is a report from the Secretary of the Mining, dated January 1, 1861. It contains information about the state of the Mining and the country's mining resources at the beginning of the year.
