1. The first part of the report deals with the general situation in the country. It is noted that the economy is in a state of depression and that the government is facing a severe financial crisis. The report also mentions that the population is suffering from widespread poverty and unemployment.

2. The second part of the report discusses the political situation. It is noted that the government is weak and that there is a lack of unity among the political parties. The report also mentions that the military is a powerful force in the country and that it is often involved in political affairs.

3. The third part of the report deals with the social situation. It is noted that the social structure is highly unequal and that there is a large gap between the rich and the poor. The report also mentions that there is a high level of illiteracy and that the health care system is inadequate.
