Subject: Transfers of Industrial Devices Report – Q2 2017 (Region I & II)

To Whom It May Concern:

As required by SRPAR 0400-20-10-.13, 0400-20-10-.25 and Condition 16 of our Tennessee Radioactive Material License R-01082-B23, Berthold Technologies USA is filing our quarterly report for the 2nd quarter of 2017 for radioactive material general licensees falling under the direction of the Nuclear Regulatory Commission. In addition, a copy of this report has also been submitted to the Dept. of Environment & Conservation (Division of Radiological Health) in Nashville, TN, as well as, the NRC headquarters in Washington DC.

Enclosed with this letter is the final report for Generally Licensed devices that were distributed within Region II, no devices were distributed within Region I. Additionally, during the 2nd quarter, no X-Ray machine transfers occurred. Please feel free to contact me should you have any questions or require any additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "CD", is written above the typed name.
