Dear Mr. Reed:

In light of the current events involving the Three Mile Island-2 Lessons Learned Task Group, we have decided to suspend further review work on your containment air dilution (CAD) system and deinerting submittals. This suspension will be in effect until the Commission acts on the Lessons Learned Task Group's recommendations.

You will be informed when the Commission acts and of the impact on your request.

Sincerely,
Original Signed by
W. P. Gammill

W. Gammill, Acting Assistant Director
for Operating Reactors Projects
Division of Operating Reactors
