Dear Mr. Stratton:

I am enclosing for your information a copy of Commonwealth Edison Company's letter dated September 2, 1969, transmitting as Amendments 19 and 20 for Dresden Nuclear Power Station Units 2 and 3 additional information concerning the Rod Block Monitor System, revised proposed Technical Specifications, and additional information on the seismic design of the plant.

The supplemental data furnished in these amendments has been filed in support of an application to operate the Dresden Unit 2.

Sincerely,

(Signed) H. L. Price

Harold L. Price
Director of Regulation
