

December 8, 1972

Docket Nos. 50-237  
and 50-249

Dr. Chester P. Siess  
Chairman, Advisory Committee  
on Reactor Safeguards  
U. S. Atomic Energy Commission  
Washington, D. C. 20545

Dear Dr. Siess:

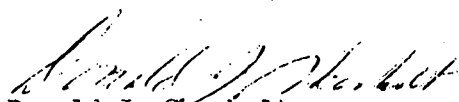

Sixteen (16) copies of the following are transmitted for the  
Committee's information:

Letter from Commonwealth Edison Company dated November 27,  
1972, advising that the submittal date for information on  
the Dresden 2 and 3 torus baffle studies is now scheduled  
for February 1, 1973.

Letter to Commonwealth Edison Company dated December 4,  
1972, as Change No. 18 to Dresden 2 Technical Specifi-  
cations and Change No. 10 to Dresden 3 Technical Specifi-  
cations regarding environmental monitoring program.

Sincerely,

Distribution
