

October 25, 1972

Docket Nos. 50-10, 50-237  
and 50-249

Dr. Chester P. Siess  
Chairman, Advisory Committee  
on Reactor Safeguards  
U. S. Atomic Energy Commission  
Washington, D. C. 20545

Dear Dr. Siess:

Sixteen (16) copies of the following are transmitted for the Committee's  
information:

Letter from Commonwealth Edison Company dated October 13,  
1972, transmitting review of Dresden Units 1, 2 and 3 to  
resist flooding capabilities.

Sincerely,

Distribution
