

December 27, 1972

Docket Nos. 50-237 and 50-249

Dr. Chester P. Siess
Chairman, Advisory Committee
on Reactor Safeguards
U. S. Atomic Energy Commission
Washington, D. C. 20545

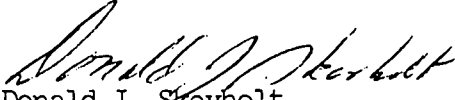

Dear Dr. Siess:

Sixteen (16) copies of the following are transmitted for the
Committee's information:

Letter to Commonwealth Edison Company dated December 13,
1972, regarding failure of several hangers at Quad-Cities
Unit 2 and requesting information relating to Dresden
Units 2 and 3 on the same subject.

Sincerely,

Distribution
