 Springfield, Illinois 62706

Gentlemen:

I am enclosing a letter from Commonwealth Edison Company, dated October 27, 1972, and Supplement No. 4 to the Environmental Report, submitted by Commonwealth Edison Company for the Dresden Nuclear Power Station, Units 2 and 3.

This information is to be made available to the Federal, State and local officials in accordance with procedures set out in the Office of Management and Budget Circular No. A-95 (Revised), and the Atomic Energy Commission's regulations in Appendix D of 10 CFR Part 50.

Sincerely,

Original signed by
 B. J. Youngblood

B. J. Youngblood, Chief
 Environmental Projects Branch 3
 Directorate of Licensing
