Dear Dan:

Enclosed is the original of a letter to me from Commonwealth Edison Company. This letter should be docketed. Please make necessary arrangements to have it done.

Also attached are draft copies of the Foreword and Section 1 for your review. Sections 2, 3, 4, and 9 are being typed at the present time and will be sent as soon as available.

We have not received the new source term yet, and thus Sections 3 and 5 cannot be completed until that information is received.
