Dear Mr. Muller:

In response to your letter dated December 21, 1973 concerning submittal of changes to the proposed Environmental Technical Specifications submitted November 8, 1973, the expected schedule for submittal will be the week of February 11, 1974. The schedule is based on preparing draft changes and a meeting to review these drafts with your staff by January 25, 1974. After this review a final draft will be prepared for the appropriate reviews and approvals required by the plant Technical Specifications. It is estimated that the earliest possible completion and submittal will be the week of February 11, 1974.

One signed original and two copies of this letter are provided for your use.

Very truly yours,

J. S. Abel
Nuclear Licensing Administrator
