HEARING EXAMINERS

Dear Mr. Bond:

In accordance with the provisions of Section 2.715 of the Commission's "Rules of Practice," I have expressed my desire to make a limited appearance at the public hearing to be held on September 27, 1966, in the matter of Dresden Nuclear Power Station Unit 3, Docket No. 50-249.

I was represented by the Chief Electric Engineer of the Illinois Commerce Commission, who testified at the public hearing held on December 7, 1965, in the matter of Dresden Nuclear Power Station Unit 2, Docket No. 50-237, before the same Board designated to conduct the Dresden 3 hearing. What he said for the Illinois Commerce Commission then in favor of granting the applicant, Commonwealth Edison Company, a provisional construction permit for Dresden Unit 2, is equally applicable in the case of Dresden Unit 3.

Will you, therefore, please accept this letter in lieu of a personal appearance in support of Commonwealth Edison Company's request for a provisional construction permit for Dresden Unit 3.

Respectfully yours,

James W. Karber
