Nuclear Regulatory Commission  
Washington, D.C. 29555

Dear Sir:

I would like to know on what dates hearings will be held concerning the Dresdan storage facility at Morris, Illinois.

I am particularly interested in Docket numbers 50-237, 50-249, 50-254, and 50-265. On what dates and where will this matter be heard? If no dates have been set at this time I would request that you advise me of hearing dates when they are scheduled.

If there are other hearings scheduled now on other matters concerning the Morris storage facility I hereby request information on them.

If in the future matters are brought before the NRC about Dresdan or the Morris storage facility I hereby request you inform me of hearing schedules and action of any kind that is taken.

Sincerely,

Bob Neiner, President
