Ref: **Revision to Annual General License Registration Documentation for Knauf Insulation, Inc.
Albion MI GL-722507-21**

To Whom It May Concern:

In a letter dated March 6, 2017, Knauf Insulation, Inc. submitted the annual general license registration documentation for a radioactive material source holder at Knauf Insulation, Inc., Albion MI 49224. Recently Knauf no longer had use for this radioactive material, so it was sent to QSA Global. Attached is a letter from QSA Global documenting receipt of the radioactive material on June 28, 2017. I also enclosed a revised General License Registration form showing removal of the last remaining radioactive material that was registered for use at Knauf Insulation, Inc., Albion MI plant. The annual General License registration of radioactive material for use at Knauf Insulation Albion Plant will no longer be needed.

If you have any questions, or need additional information, please contact me at 517-630-2072.
