Jason,

I'm sending the file attached for Staff consideration regarding the documents made public by the staff for use in conjunction with (but after) the NRC public meeting held April 20, 2017.

There is one attachment: My comments on the "Systems subject to upgrades under 5059_42017 Public Meeting".

Thank you for considering this input for the RIS on CCF. I would be happy to discuss any of these comments.

Ken
