Dear Mr. Woody:

SUBJECT: SAFETY PARAMETER DISPLAY SYSTEM (SPDS)/SAFETY ASSESSMENT SYSTEM (SAS)

We are in receipt of your August 18, 1986 schedular letter on the above subject. We agree with your commitment date of December 31, 1987 for completion of the SAS.

As you know, your staff met with Commission staff on May 20, 1986 to discuss the SPDS/SAS. The meeting minutes, dated June 2, 1986, were sent to you under separate cover. The meeting minutes contained six commitments by FP&L personnel. The meeting minutes also stated that the project manager plans to follow and evaluate the licensee's progress on these commitments.

We request that you provide us a status report on these commitments within 30 days of your receipt of this letter and include when the commitments were implemented and maintained.

The reporting and/or recordkeeping requirements contained in this letter affect fewer than 10 respondents; therefore, OMB clearance is not required under P.L. 96-511.

Sincerely,

/S/

E. G. Tourigny, Project Manager
