Subject: Gases 101 LLC request - correction to SSDR No: NR-1417-D-101-E

Dear Mr. Walker,

On June 7, 2017, you sent a request to Mr. Tomas Herrera, via email, to change the serialization of the ChemPro100i, FXi, and DM models on the Gases 101 LLC's Sealed Source Device Registration.

In order for us to proceed with the request, would you confirm that no other information that was provided during the last application review has changed?

Please submit the requested information within 30 calendar days of the date of this e-mail. The information should be submitted in an official letter with proper signature we can accept the response as an attachment to an e-mail or via facsimile at 301-415-5955. If we do not receive complete information within 30 days, we will consider your request as having been abandoned by you. This is without prejudice to the submission of a complete new request.

Thanks,
