Gentlemen:

Re: St. Lucie Units 1 and 2
Docket Nos. 50-335, 50-389
Operator Licensing and Requalification Schedule

Generic Letter 86-14 requested Licensees to provide their best estimate plans for operator licensing examinations during FY 1987, FY 1988, and FY 1989. Florida Power & Light Company (FPL) provided its schedule by letter (L-86-388), dated September 28, 1986. In that letter, FPL scheduled an operator licensing requalification exam for August 3, 1987. This requalification exam has been rescheduled for September 28, 1987. The change was necessary to time the examination to coincide with the completion of Licensed Operator Requalification Training.

Very truly yours,

C. O. Woody
Group Vice President
Nuclear Energy
