Subject: [External_Sender] U.S. military turns to Silicon Valley to protect troops from drones
Date: Thursday, July 20, 2017 3:15:22 PM

<http://money.cnn.com/2017/07/20/technology/startups/drones-skysafe-military/index.html>

Dear Director:

Robotics, drones, autopilot and GPS everywhere you turn?

How does the command respond?

Where is the strategy?

CHAOS! CHAOS! CHAOS!

Best!
