RE: June 14, 2017 NRC Initial License Written Examination

On June 14, 2017 the Nextera Energy, Duane Arnold Energy Center (DAEC) administered the Licensed Operator Initial Training NRC Written Examination to 12 applicants (7 SRO Instants, 2 SRO Upgrades, and 3 RO Upgrades). A formal written examination review was conducted by the Licensee on June 15, 2017 and revealed no challenges to any of the 100 questions administered. As such, the DAEC will not be submitting any challenges to the Licensed Operator Initial Training NRC Written Examination.

In addition, the DAEC is requesting the written examination (proposed and as given) be withheld from disclosure for a period of 24 months from the date administered as discussed with the NRC Chief Examiner, Michael Bielby.

If you have any questions, please do not hesitate to call Eric Murray, Operations Training Supervisor at (319) 851-7203 or Clay Hill, Training Manager at (319) 851-8152.

This letter contains no new commitments.
