Re: License Amendment to 25-17492-01

Dear Sir or Madam:

I would like to request an amendment to Radioactive Material License No. 25-17492-01 to change RSO from Michael Nezworski to myself. I was the previous RSO for the past 20 years or so. Michael Nezworski no longer works for DOWL. My training records should still be on file with the NRC

Please let me know if I can provide any additional information.

Sincerely,

Kurt R. Grabow  
Senior Materials Engineer  
Radiation Safety Officer
