Subject: Request for License Amendment
Materials License No. 47-35056-01

Gentlemen:

The purpose of this letter is to request an amendment to the above referenced materials license as described below.

1. We are in the process of purchasing one new device to be used on site and need to add the following:

Byproduct Material	Form	Maximum Activity
Cesium-137	Sealed Source Holder (Vega Model SHLD1).	1 source not to exceed 10 mCi (.037 GBq).

To be used in a 10 mCi (0.37 GBq) Cs-137 sealed source, in a VEGA Model SHLD1 source holder device, for level measurement of process material.

All other conditions of the license, previously submitted procedures and/or representations remain the same. If you have any questions, please contact me at 304-665-1641. We appreciate your assistance in this matter.

Sincerely,

Gus Barbarito
Plant Manager
