

APR 28 1989

Docket Nos. 50-335 and 50-389

Florida Power & Light Company  
ATTN: Mr. W. F. Conway  
Senior Vice President-Nuclear  
P.O. Box 14000  
Juno Beach, FL 33408-0420

Gentlemen:

With your application dated April 4, 1989, you remitted a check for \$150. This application was for Technical Specification Changes related to Administrative Controls requirements for the St. Lucie Nuclear Power Plant, Unit Nos. 1 and 2. The enclosed revisions to 10 CFR 170 that became effective on January 30, 1989, deleted the requirement for a \$150 application fee for reactor applications and topical reports. Therefore, a \$150 check does not need to be remitted with future applications.

As an administrative convenience, we are not refunding the \$150 to you. Instead we will give credit for it when an invoice is issued for review of that application. Let us know if this is not acceptable to you.

Sincerely,

Signed by:  
Reba M. Diggs
