Subject: NRC Inspection Report - Uranium One Americas, Inc.

Scott,

I'd like to thank you for your time during the NRC inspection at your facilities in Wyoming on June 27, 2017. As I briefly discussed this afternoon, the NRC has determined that no violations were identified. The attached NRC Inspection Report (NRC Form 591M) documents the results of the inspection. This does not require you to take any action and you are not required to sign it or return it. I do however request a courtesy email response from you acknowledging receipt.

If you have any questions or concerns, feel free to contact me,
