Gentlemen:

Re: St. Lucie Units 1 and 2  
Docket Nos. 50-335 and 50-389  
Monthly Operating Report

Attached are the January 1991 Operating Status and Summary of Operating Experience Reports for St. Lucie Units 1 and 2.

There was a calculation error in line 23 in the Unit 1 October Report, which was carried through December. Also the same error was made in the Unit 2 report for the months of September and December. These errors have been corrected and the corrected copies are attached to this report.

Very truly yours,

D. A. Sager  
Vice President  
St. Lucie Plant
