Jim's recollection was correct for the Duke fleet. The estimates remained fairly consistent with current practices.

Ayesha,

If memory serves me, we answered this question last year and confirmed that the estimates the agency has been using since about 2012 remain fairly consistent with industry's experience. Tony and Larry are cc'd above if you want to contact them directly.

Best regards,

Jim

Jim,

Every 3 years the NRC needs to submit the PI data collection hour/cost estimates or industry to OMB. I would like to send this request to Tony Zimmerman and Larry Parker—could you please give me their email addresses? Thank you!
